

# Technical Data Sheet | Mounting Plate

PT3 Cable tray provides premium performance for commercial & light industrial electrical projects.

Strong, versatile & easy to install, its excellent performance characteristics combined with a visually appealing profile has made it the highest regarded tray product in the electrical industry.

## Horizontal Mounting Plate:

- Under Purlin - Centre Mounting Plate.
- Thread is 2cm high from plate.
- Pack 50

Size: M10  
Load kN: 3.19  
Code: 10HMP10

Size: M12  
Load kN: 4.69  
Code: 10HMP12

## Vertical Mounting Plate:

- Pack 100

Size: M10  
Load kN: 4.01  
Code: 10VMP10

Size: M12  
Load kN: 5.77  
Code: 10VMP12

## Side Mounting Plate:

- Pack 100

Size: M10  
Load kN: 5.25  
Code: 10SMP10

Size: M12  
Load kN: 5.96  
Code: 10SMP12

ZINC PLATING (ZP): 8-15 MICRON  
STANDARDS TO COMPLY: AS/NZS 4680, AS1397.

HOT DIP GALVANISING (HDG): 50-70 MICRON  
STANDARDS TO COMPLY: AS/NZS 4680, AS1397.

**NOTE: LOAD RATING IS APPLICABLE ONLY IF LOAD BEARING CAPACITY OF SUPPORTING ELEMENT IS ADEQUATE**
