CARE INSTRUCTIONS

Avoid exposure to liquids/solvents that may cause the lens to distort/ craze as this may affect protection required.

Inspect prior to use for any pitted, crazed, damaged or heavily scratched lenses and replace if signs of deterioration appear.

For heavily soiled applications, wash under running water to remove excess grit and wipe clean with Lens Cleaning Wipes.

CLEANING INSTRUCTIONS

Clean with warm soapy water or mild lens cleaning solutions.

Do not use alcohol based cleaning wipes/solutions as this may damage the lens coatings.
